RE:PQ 29659/24

“To ask the Minister for Health for an update on the progress on compiling the business case for the development of a primary care centre for the region of An Cheathrú Rua and Leitir Móir in County Galway; and if he will make a statement on the matter”

Dear Deputy Farrell

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position in Primary Care.

We are at the initial stages of compiling a business case and schedule of accommodation for a proposed Primary Care Centre in the South Connemara PCT area. This should be finalised by the end of September 2024. We will then engage with HSE Estates to ensure that all necessary project initiation documents are completed. Following this the proposal will be submitted to the National Property Review Group for consideration.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely

Mary Warde
