Leinster House,
Kildare Street,
Dublin 2.

PQ 30783/24 To ask the Minister for Health the number of persons on a waiting list for Physiotherapy, by CHO, age category and time waiting, in tabular form.

-Roisin Shortall

Dear Deputy Shortall,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question (PQ 30783/24) which you submitted to the Minister for Health for response.

The HSE is committed to delivering efficient high-quality services to all eligible service users. In 2023, there were 522,059 patients seen by HSE Physiotherapy primary care services. Primary Care Access and Integration is focused on improving access to care in order to reduce waiting times for patients. This includes monitoring the waiting list on an on-going basis in the context of available resources.

Please find attached appendix, which contains, in tabular form, the Physiotherapy waiting list in each CHO area, as at the end of May 2024 which is the latest data available at this time.

Appendix 1 – Physiotherapy Waiting List May 2024

I trust this is of assistance.
