RE:PQ 31302/24

"To ask the Minister for Health the status of a tender process for Castlebar Primary Care Centre, has the tender process for the extension been completed, when will the work go to construction; and if he will make a statement on the matter"

Dear Deputy Dillon,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position in Primary Care.

Construction has commenced on site. Enabling works, including service diversions and construction of a new car park, were completed in June. Works for the new extension commenced immediately after this.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely

Mary Warde
Head of Primary Care Services
Galway, Mayo & Roscommon
