RE: To ask the Minister for Health if funding will be approved for the recruitment of an additional WTE advanced nurse practitioner in paediatric diabetes and an additional WTE advanced nurse practitioner in gestational diabetes for Letterkenny University Hospital.

Dear Deputy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

There is no application for additional ANPs in these areas from LUH Women & Children Service or plan in the near future.

LUH had submitted a Business Case previously for 1 x WTE CNS in Paediatric Diabetes but this was unsuccessful but is greatly needed to support the service.

I trust this information is of assistance to you but should you have any further queries please contact me.

Yours Sincerely,

Seán Murphy
General Manager
Letterkenny General Hospital
