Re: Parliamentary Question 32184/23 *“To ask the Minister for Health the number of pregnant mothers who used an anomaly scan in Cavan General Hospital to date, per year since its introduction in 2021 and to date in 2024, in tabular form; and if he will make a statement on the matter. -Niamh Smyth”*

Dear Deputy Smyth,

The RCSI Hospital Group has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. Having reviewed the matter, the following outlines the position.

Number of women who have received anatomy scans by year requested in Cavan General Hospital;

Year	Total number of women
2021	1505
2022	1331
2023	1297
2024	701 (YR TO DATE)

I trust this information is of assistance to you.

Yours sincerely,

Stephanie Dunne
