PQ 32451/24* To ask the Minister for Health if he will outline any plans for the future use of currently vacant buildings at St. Loman's Hospital, Mullingar. -Robert Troy

Dear Deputy Troy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question you submitted for response.

St Loman's campus remains a live and operational site, with the primary care unit on the grounds of St Loman's campus currently under refurbishment.

The HSE currently has significant accommodation demands across all services and is preparing an Accommodation Plan for Westmeath, the future use of some of the current vacant space at St Loman's campus will be reviewed as part of this accommodation plan.

Yours sincerely

Brian O'Connell
Interim National Director
