To ask the Minister for Health the future plans for the Health Centre at New Inn, Cashel, Co Tipperary and if he will make a statement on the matter.

Dear Deputy/Minister,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which was submitted to the Minister for Health for response.

I have reviewed the matter and the following is the current position.

The response as issued in October 2023 remains the current situation. New Inn Health Centre has recently been refurbished and continues to be utilised by our Chronic Disease Clinics until renovations have been finalised in St Patrick's Cashel.

The Health Centre at New Inn is expected to continue to be used as a functional clinical space for HSE services.

I trust this information is of assistance to you. Should you have any further queries please do not hesitate to contact me.

Yours sincerely,
