Dear Deputy Hourigan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

Further to the response issued to you in respect of Parliamentary Question **14745/24**, I wish to advise that some for profit organisations were included in the list of organisations provided to you in error. Having completed additional checks and validation, I wish to advise you that the response issued in respect of **PQ 45235/23** is the most current and up to date response for this query.

Please accept my apologies for any confusion this may have caused.

Yours sincerely,

---
