**RE:PQ 26247/24**

**"To ask the Minister for Health if he will provide an update on a Ballaghaderreen Primary Care Centre; and if he will make a statement on the matter"**

Dear Deputy Kerrane

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position in Primary Care.

The HSE has notified the developer that if they fail to accept the terms in the Letter of Acceptance for the lease of the primary care centre that this letter will be withdrawn and the HSE will proceed with alternative options. These options include retendering the competition. The timeline for the developer to respond is the end of June. If the developer accepts the terms they will be required to sign the Agreement for Lease and commence construction before the end of the year.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely
