**Re: Scoil Mochua, Nangor Road, Clondalkin, Dublin 22**

“To ask the Minister for Health to provide an update on the funding for, and delivery of, the new clinical unit for the central remedial clinic co-located within a school (details supplied).”

**Dear Deputy Ó Broin,**

I refer to the above Parliamentary Question which has been referred by the Minister for Children; Equality; Disability; Integration and Youth to the Health Service Executive for direct response. I requested that the CEO of Central Remedial Clinic to examine the matter and the following outlines the position.

The project is currently at Stage 2a of the capital development process, which is the development design stage. The project Design Team are progressing well with the design and expect to issue the Stage 2a report in the coming weeks. The next stage, Stage 2b, would involve statutory applications, including a planning permission application.

The HSE have committed partial funding for development of the clinical unit co-located within the school.

If you require any further information, please do not hesitate to contact us.

Yours sincerely,

P.P

Margaret O'Neill,
