Re: PQ 10484/24 – Breast disease clinic

To ask the Minister for Health the number of people triaged as non-urgent who attended a symptomatic breast disease clinic the number who were offered an appointment in each of the relevant hospitals managed by Ireland East Hospital Group within 12 weeks of the date of receipt of a letter of referral in the cancer office in each quarter from 2016 to 2023, in tabular form.

Dear Deputy Guirke,

I refer to the above Parliamentary Question seeking an update the number of people triaged as non-urgent who attended a symptomatic breast disease clinic in the Ireland East Hospital Group, for direct response.

I have had this matter examined, please see data below:
