PQ 10880/24

To ask the Minister for Health the progress made by the HSE in their discussions with an organisation (details supplied) concerning a partnership to provide a service in the south Tipperary area; if the business plan on the same proposal submitted to the HSE by the organisation has been considered; to provide an update on the matter; and if he will make a statement on the matter. [Details supplied: Pieta]

Dear Deputy Browne

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Query request.

I wish to advise you that Mental Health Services currently have no funded partnership with Pieta in South Tipperary. Pieta are funded nationally. SECH Mental Health Services do not have a funding source to develop new contractual arrangements with other organisations.

I trust this information is of assistance to you. Should you have any further queries please do not hesitate to contact me.

Yours sincerely,

Anne Donaghey
