Re: PQ 11211/24

To ask the Minister for Health to outline the referral pathway to the ADHD clinic in the CHO7 area.

Dear Deputy Crowe,

I have examined the matter and the following outlines the position.

CAMHS CHO7 have an ADHD pathway, ADMIRE.

The referral must be sent to the relating Community Team based on the catchment area of the client. The referral is discussed at the Multi-Disciplinary Team meeting, if the team deems the referral query ADHD, the team will then refer onward to the ADMIRE team. The parents will receive the necessary ADHD screening forms for completion and return.

If the referral has multiple presentations, then the client may have undergo shared care between Community (For all other presentations) and ADMIRE for ADHD diagnosis.

I trust this information is of assistance to you.

Yours sincerely,

Mr Kevin Brady,
Head of Service Mental Health,
HSE Dublin South, Kildare West Wicklow Community Healthcare
