Deputy Paul Murphy
Dáil Eireann,
Leinster House,
Kildare Street,
Dublin 2.

PQ 12499/24 - To ask the Minister for Health the areas to which funding is going, when the filled positions as denoted by the HSE staff census or by the total number of therapists and administration staff versus filled positions does not match the CHOs report for number of staff at end of month.

Dear Deputy Murphy,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for response.

The staff census is completed retrospectively based on payroll returns which in general are approximately 11 days in arrears and also staff on paid leave.

The therapeutic and administration staff are returned by each area on a monthly basis from the services based on those at work.

I trust this is of assistance to you.

Yours sincerely,

Jacqueline Nix

Assistant National Director, HR Community Operations
