PQ 13376/24* To ask the Minister for Health further to Parliamentary Questions No. 1043 of 2 November 2021 and 1672 of 26 July 2022, when the HSE plans to develop a primary care centre at the site referred to in Ratoath, County Meath; if the plans are included in the HSE's current capital program; the overall cost and timeline for completion of the project; and if he will make a statement on the matter. - Ged Nash

Dear Deputy Nash,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

This project is not currently included in the HSE Capital Plan.

However, Ratoath is still included as an identified location for future Primary Care Centre in the HSE's Primary Care Centre Network plan for County Meath and HSE Capital and Estates are engaging with CHO 8 Primary Care Services on requirements for this area.

Yours sincerely

Brian O'Connell
Interim National Director
Capital & Estates
