**Re : PQ 20181/24 To ask the Minister for Health if the HSE funds adult disabilities day care centres within CHO8 that are opened on the weekends; and if so, the location of same, in tabular form.**

Dear Deputy O'Rourke,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and outlined the position as follows.

I can advise that HSE funded adult disability day services do not operate at weekends.

The current funding stream for HSE funded day services and in turn the funding bands support placements Monday through to Friday @ 30 hrs per week.

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

---
