PQ 21509/24* To ask the Minister for Health if he will direct the HSE to conduct a feasibility study relating to the provision of an MRI scanner at Monaghan Hospital; and if he will make a statement on the matter. -Matt Carthy

Dear Deputy Carthy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

Patients from Cavan & Monaghan have access to MRI services in Cavan General Hospital.

There are currently no plans or service requirement for a MRI scanner to be installed in Monaghan Hospital therefore there is no requirement for a feasibility study to be carried out.

Yours sincerely

Brian O'Connell
Interim National Director
