PQ 22762/24: To ask the Minister for Health if he will supply details of the level of grant aid support from his Department and the HSE to each community cancer support centre in the State in each year since 2021; and if he will make a statement on the matter.

Dear Deputy Kerrane,

Thank you for your query in relation to the grant aid support provided to each community cancer support centre since 2021. The NCCP can only confirm and provide information on NCCP funding. We do not have information on either capital or HSE CHO funding which some but not all centres have received.

The table below shows the grant aid provided to cancer support organisations from the National Cancer Control Programme in the years 2021, 2022 and 2023.
