‘To ask the Minister for Children; Equality; Disability; Integration and Youth the number of WTE child psychologists working as part of Monaghan children's disability network team in the years of 2022, 2023 and to date in 2024, in tabular form; and if this number will be further increased.’ - Pauline Tully

Dear Deputy Tully,

I refer to your parliamentary question above which has been referred to me for response. I have examined the matter and the following table outlines the position.

The following table contains the details of Child Psychologists employed as part of Monaghan Children's Disability Network Team (CDNT), expressed as Whole Time Equivalents (WTE), in 2022, 2023 and to date May 2024. This information was provided by the Monaghan CDNT Manager.

Number of WTE child psychologists in Monaghan Children's Disability Network Team				
Year	Title	Allocated WTE	In Post WTE	Vacant WTE
2022	Senior Clinical Psychologist	2.0	2.0	0.0
2023	Senior Clinical Psychologist	2.5	2.0	0.5
2024	Senior Clinical Psychologist	2.5	2.0	0.5

I can confirm that there is a 0.5 WTE Senior Psychology position currently being recruited to the CDNT in Monaghan.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,
