PQ: 23582/24

To ask the Minister for Health when the HSE will conclude its evaluation of preferred continuous glucose monitors under the medicines management programme; and if he will make a statement on the matter.-Noel Grealish

Dear Deputy Grealish,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question (Reference 23582/24), which you submitted to the Minister for Health for response.

The HSE Medicines Management Programme (MMP) are currently undertaking the evaluation process to identify preferred continuous glucose monitoring (CGM) sensor(s) with associated system(s).

The evaluation is being carried out in accordance with the process outlined in the MMP roadmap for the identification of preferred CGM sensor(s) with associated system(s), available at the following link: [Continuous glucose monitoring - HSE.ie](https://www.hse.ie/continuous-glucose-monitoring)

It is anticipated that the MMP will conclude internal processes for this evaluation in the coming weeks, with publication likely in quarter 3, 2024. The outcome of this evaluation will be published on the MMP's website: www.hse.ie/mmp

Yours sincerely,
