PQ Question:

To ask the Minister for Health to outline the number of beds that have been booked by the HSE in Bartra nursing home in Clondalkin Lodge; the duration these beds have been booked for; the cost of this; when this was first agreed; how many beds were for residents of Willow and Sycamore units in Cherry Orchard; and if he will make a statement on the matter.

“Mark Ward”

Response:

Dear Deputy,

To support resident’s choice of single ensuite rooms for temporary relocation, the HSE secured beds in Clondalkin Lodge, a newly built residential care facility selected due to its close proximity to Cherry Orchard Hospital, quality of accommodation and accessibility to public transport.

These beds were released as resident and family engagements took place and as residents were temporarily relocated to the nursing home of their choice.

Yours sincerely,

Loraine Kennedy
