PQ 44504/24* To ask the Minister for Health for an update on the new base for Gorey ambulance service; and if he will make a statement on the matter. -Johnny Mythen

Dear Deputy Mythen,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The project for the provision of an ambulance base located in Gorey is currently at the initiation stage.

Capital & Estates had re-engaged a design team to carry out an Option Appraisal on all available potential sites in Gorey for a proposed Ambulance base – which concluded in Q3 2024 with a preferred option.

A full Capital Submission will now be made based on the outcome of the Option Appraisal. Subsequent to approval, a Design Team will be appointed; thus allowing the project to progress through the various stages i.e. design, planning and construction stage.

Yours sincerely

Brian O'Connell,
Interim National Director
Capital & Estates
