Kildare St,

**PQ 44774/24 To ask the Minister for Health for details of the HSE Health areas that will be reviewing the 2025 section 39 funding applications for an organisation (details supplied); if he will arrange for the organisation to be contacted directly to provide a point of contact; and if he will make a statement on the matter. -Róisín Shortall**

Dear Deputy Shortall,

I refer to your representation received on 29<sup>th</sup> October, 2024 regarding the above query. I have examined this matter and the following outlines the position:

The HSE can confirm that all Section 39 funding applications are reviewed on an annual basis. All organizations in receipt of Section 39 funding will be advised of the process for 2025 when it is determined. A point of contact will be provided to organizations and the application process will be clearly set out.

I hope this clarifies the matter.

Yours sincerely
