PQ 45013/24* To ask the Minister for Health the estimated costs of increasing the capital spend on the National Ambulance Service by 15% above the 2024 allocation. -Pauline Tully

Dear Deputy Tully,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

As per the published Capital Plan (<https://www.hse.ie/eng/services/publications/capital-plan-2024.pdf>), specific capital funding for National Ambulance Service is provided under two categories:

- Ambulance Replacement €14.50m
- Ambulance Projects €11.55m

Increasing each of these by 15% would result in:

- Ambulance Replacement €16.68m
- Ambulance Projects €13.28m

Yours sincerely

Brian O'Connell,
Interim National Director
Capital & Estates
