PQ 45174/24 *To ask the Minister for Health the capital works projects currently ongoing at the Mater Hospital; the estimated cost for each of these capital works projects; and when each of the capital works projects will be completed, in tabular form. -Darren O'Rourke

Dear Deputy O'Rourke,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

Please see enclosed Appendix 1 with the list of capital works projects in construction currently ongoing at the Mater Misericordiae University Hospital with the estimated completion dates outlined as requested.

As these are ongoing contracts the estimated costs for each of these capital works projects are commercially sensitive.

Yours sincerely

Brian O'Connell,
Interim National Director
Capital & Estates
