20 November 2024

PQ 45275/24 (Health): To ask the Minister for Health to provide an update on the uptake of the public-only consultant contract, by principal clinical site, in tabular form (details supplied). -Róisín Shortall

Please include the number and percentage on the POCC, the number not on the POCC and the total number of consultants in each principal clinical site.

Dear Deputy,

I refer to your recent Parliamentary Question which was sent to the HSE for response.

A report generated by Data Services using the DIME system at the National Doctors Training and Planning, Sancton Wood Building, Heuston South Quarter, St Johns Road West, Dublin is located in the next page.

Please note identifiable information has been withheld, where a site has 5 or less Consultants the information on numbers has been redacted.

I trust this is of some assistance.

Yours sincerely,

Mairéad Ryan
National HR

The data below was extracted from DIME (Doctors Integrated Management E-system) as at 13.11.2024. DIME is dependent on clinical sites inputting details on their consultant workforce and therefore there may be variances and gaps in the data supplied to that held within clinical sites. As DIME is a live system it must be noted that there can be variances in the figures published dependent on the run date of the report as entries can be made with a retrospective date.
