PQ 45803/24* To ask the Minister for Health for an update on the development of Lifford Community Hospital; and if he will make a statement on the matter. -Pearse Doherty

Dear Deputy Doherty,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The proposed development of the Community Nursing Unit and Primary Care Centre in Lifford Co. Donegal has been included on the Capital Plan 2024 and has been granted capital allocation to complete a feasibility study.

A suitable site for the proposed development has been identified. Discussions with Donegal County Council in relation the purchase of the site for the development are progressing.

Yours sincerely

Brian O'Connell
