PQ 45906/24

**To ask the Minister for Health the staff numbers in the National Ambulance Service in each of the years 2011 to 2025 inclusive; and if he will make a statement on the matter.
-Colm Brophy**

Dear Deputy Brophy

The Health Service Executive (HSE) National Ambulance Service (NAS) has been requested to reply directly to you in the context of the above Parliamentary Questions, which you submitted to the Minister for response.

The HSE have reviewed integrated HR reporting records from 2018 onwards, please see below data in response to your request.

Year	No. Of Staff
2024	*2514
2023	2454
2022	2271
2021	2129
2020	2035
2019	1975
2018	1900

*The above data is based on data available on the 31st December of the relevant year except for 2024 which is as of 20th November 2024.

I have not included the data pre 2018, as the national ambulance service data was amalgamated with other general areas of the HSE and therefore it is not possible to provide accurate and reliable data for the National Ambulance Service from before 2018 in a timely manner.

Yours sincerely

Colette Walsh
Director of Human Resources
National Ambulance Service
