PQ 38715/24

To ask the Minister for Health the number of ambulances and associated staff based at each ambulance station in the State; the proposals to establish any new ambulance stations, in tabular form; and if he will make a statement on the matter.

Dear Deputy Carthy,

The Health Service Executive (HSE) National Ambulance Service (NAS) has been requested to reply directly to you in the context of the above parliamentary questions which you submitted to the Minister for response.

PQ38714/24

Ambulance Stations are located in Monaghan and Castleblayney. The HSE National Service Plan for 2024 does not make any provision for the expansion of NAS services in County Monaghan.

PQ38715/24

Please see attached list as requested, noting staff and vehicle deployment remains dynamic to meet changing needs. The HSE National Service Plan for 2024 does not make any provision for the expansion of NAS emergency ambulance services in 2024.

I hope this information is helpful.

Director
National Ambulance Service
