21st October, 2024

PQ 39990/24 - To ask the Minister for Health the number of the 18,000 beds in hospitals nationwide that are closed, for example due to staffing issues, per hospital; and if he will make a statement on the matter.

Dear Deputy Healy-Rae,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary question, which you submitted to the Minister for Health for response.

I outline hereunder the breakdown of the number of acute hospital beds closed nationwide as at 6th October 2024 and note this is the latest available data at this time.

I trust this is of assistance.

Yours sincerely,

facquerine Manuer

Jacqueline McNulty General Manager,
