**PQ 40399/24\* To ask the Minister for Health to provide an update on the development of a Primary Care Centre in New Ross, County Wexford; and if he will make a statement on the matter.**

Dear Deputy Murphy,

The HSE's Primary Care Centre project for New Ross envisages people in the town and surrounding areas accessing a full range of Community Healthcare and Primary Care services in one location.

The project in New Ross is being delivered by way of the HSE's Primary Care Centre Operational Lease Model. The project is due to be re-advertised to the market later this year.

The HSE is committed to the development of a new Primary Care Centre in New Ross.

Yours sincerely,

---
