PQ ref 42903/24: “To ask the Minister for Health the number of HSE psychology posts that are currently vacant having been advertised since September 2022, in CHO7 by service type (details supplied), in tabular form.”

Dear Deputy Donnelly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position:

Care Group	Grade	WTE	Role Purpose
Mental Health	Clinical Psychologist	1	Development Post
Disabilities	Senior Clinical Psychologist	1	Development Post

The HSE continue to run rolling recruitment campaigns from which vacancies can be filled.

Yours sincerely
