13th September 2024

PQ 34719/24* To ask the Minister for Health for a status update on the primary healthcare centre in Drimnagh. -Patrick Costello

Dear Deputy Costello,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

HSE Capital & Estates, in consultation with HSE services are evaluating each design stage for Drimnagh Primary Care Centre to ensure all accommodation requirements are encapsulated and that the main project considerations are fully understood. A full design-team is in place and the project is progressing to Design Stage 2B Design Development & Statutory Applications.

The design-team is developing the Planning, Fire Safety Certificate & Disability Access Certificate applications which are to be submitted to Dublin City Council in Q4 2024.

Pending the final grant of planning permission the project will then progress through the detailed design and tender.

Yours sincerely

Brian O'Connell
Interim National Director
Capital & Estates
