Dáil Éireann

PQ 35062/24 - To ask the Minister for Health the current visiting hours for in-patients operating within each public hospital, in tabular form; and if he will make a statement on the matter. -Matt Carthy

Dear Deputy Carthy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The hospital visiting times are available on the HSE website under the 'Find a hospital' service, which has a search field which will locate the hospital nearest to your current location.

Alternatively you can type in a location and then select from a drop down list which will return a list of hospitals and the distance to each from the location selected.

Hospitals are also listed alphabetically with visiting times and other useful information for visitors and patients such as address, telephone number, parking and other facilities.

Please see below link to the 'Find a hospital service' on the HSE website:

I trust this is of assistance to you.

Yours Sincerely,

Nessa Lynch
General Manager
Access and Integration (Acute Services)
