13<sup>th</sup> September 2024

**PQ 35886/24\*To ask the Minister for Health the cost of the new women's health building in front of Austin Stack Park, Tralee; if it is correct that further works need to be carried out to ensure that the building is fire compliant; and if he will make a statement on the matter. - Pa Daly**

Dear Deputy Daly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The building located at the front of Austin Stack Park, Tralee has been purchased in a shell and core condition by the HSE for €4.2m for the provision of a new Women's Health service in Tralee.

Capital & Estates have appointed a Design Team to carry out the detailed design for the fit-out works to satisfy the clinical requirements for Women's Health Services and all statutory obligations including fire safety regulations.

Yours sincerely

---
