Dublin 2

PQ 36504/24: To ask the Minister for Health the estimated full-year costs to recruit 40 additional WTE specialist orthodontists for public dental service.

Dear Deputy O'Rourke,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for response.

The estimated cost of employing every additional specialist orthodontist is detailed in the table below. The WTE is taken as mid published salary scale. Please note 30% of WTE Cost is included to cover estimated operational costs to reflect the clinical nature of the service which includes utilisation of PPE, additional HR and payroll costs and clinical consumables associated with a Dental and Orthodontic Service.

Source: consolidated pay scales, date 001.01.2024	Grade code	Midpoint of salary scale €	PRSI	Nonpay for estimates process (30%)	Estimates costings	40 WTE
Orthodontic Specialist	1465	€169,471	€18,218.13	€50,841.30	€238,530.43	€9.54M

The above information is used for planning purposes only as individual services may incur additional costs depending on geographical or deprivation factors. Newly recruited staff with extensive experience may be appointed at a higher level on the pay scale.

I trust this information is of assistance to you, but if you require further clarification please do not hesitate to contact me.

Yours Sincerely,

Anne O'Neill

Assistant National Director, Oral Health
