**PQ 37478/24\* To ask the Minister for Health if it there are plans to offer a HSE-owned property (details supplied: HSE owned terraced property at Mill Street, Pettigo, Co. Donegal, formerly used as a Health Centre) to State stakeholders, for sale to the community or for private sale; and if he will make a statement on the matter. - Pearse Doherty**

Dear Deputy Doherty,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted for response.

As previously communicated, The HSE own a terraced property at Mill Street, Pettigo, Co. Donegal which was formerly used as a Health Centre. This property is surplus to HSE requirements.

The HSE is currently working on the rectification of title for this property, and has engaged legal service expertise to assist on this process.

Once title is in order, the property will be disposed of in line with the HSE Property Protocol and the Department of Public Expenditure, NDP Delivery and Reform Circular 11/2015, where the property will be offered the property to all State Stakeholders through the Intra-State Property Register.

If no interest is expressed in the property by any State Stakeholder, the HSE will then progress the disposal of the property on the open market in line with the Department of Public Expenditure, NDP Delivery and Reform Circular 17/2016 and the HSE Property Protocol.

Yours sincerely
