***PQ ref 37855 - To ask the Minister for Health for an update on the provision of a primary care centre at a location (details supplied).***

Dear Deputy O'Broin,

The Health Service Executive has been requested to reply directly to you in regard to your parliamentary question, which you submitted to the Minister for Health for a response. I have examined the matter and the following outlines the position.

The Health Service Executive can confirm that construction in Adamstown Primary Care Centre is expected to commence during quarter four 2024 with construction completion due during quarter one 2026. This is dependent on the acquisition of the building, which is now going through internal HSE processes, subject to approval.

I trust this information is of assistance to you but if you have any queries or require any further information please do not hesitate to contact me.

**Yours sincerely,**

**Brian Kearney**
