Re: PQ 1317/25

To ask the Minister for Health for an update on a recruitment campaign for HSE home care workers in the Sligo-Leitrim area; how many home care workers have been recruited since January 2024 to date; and if he will make a statement on the matter.

Dear Deputy Kenny

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

Between January 1st 2024 and February 25th 2025, twenty one Health Care Assistants (Home Support) commenced employment with the HSE in the Sligo Leitrim area.

At present, there is a panel in place for the Sligo Leitrim area and interviews are ongoing to add to this panel.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely
