** To ask the Minister for Health for an update on the initiation of specific services for adults with ADHD in counties Galway, Mayo and Roscommon**

Dear Deputy Connolly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position;

Community Healthcare West has been allocated funding for an adult ADHD team and hope to stand up a service in later part of 2025.

I trust this information is of assistance to you, but should you have any further queries, please contact me.

Yours sincerely,

Charlie Meehan
Head of Mental Health Services
