Dáil Eireann
Leinster House

PQ 1916/25:

To ask the Minister for Health the number of dentists on the dental treatment services scheme at the end of each quarter for each year 2019-2024, by LHO; the number of dentists who submitted claims and the total number of claims in quarter 1 of each year and each full year, in tabular form; and if he will make a statement on the matter.

Dear Deputy O'Callaghan,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for response.

Adult medical card holders have access to dental services under the Dental Treatment Services Scheme (DTSS) through care provided by private dentists that hold DTSS contracts with the HSE. The DTSS is a "choice of dentist" scheme which does not require the patient to register with a particular dentist and enables medical card holders to attend any DTSS contractor directly without recourse to the HSE.

The number of dentists on the dental treatment services scheme at the end of each quarter for each year 2019-2024 is detailed in the attached Excel Sheet.

The number of dentists who submitted DTSS claims and the total number of treatments claimed for in each quarter of 2022 to 2024 is detailed in the table below. Data on the number of contractors who submitted claims is only available from October 2020.

	Quarter 1 (March data)			Quarter 4 (Dec data)	
	No. of Dentists who submitted claims	Total number of treatments		No. of Dentists who submitted claims	Total number of treatments

2021	766	205,802		689	760,047

A process to update the contract numbers was undertaken in June 2023. The HSE corresponded with contract holders requesting they review their availability for provision of care for medical card holders. Several contractors contacted the service to advise that while they remain active on the scheme, they have no availability within the practice for new patients- either private or DTSS.

The number of dentists claiming per month has remained relatively stable. Availability of appointments fluctuates according to the daily capacity of the practices- it is not possible to indicate which may have available appointments on any given day.

I trust this information is of assistance to you, but if you require further clarification please do not hesitate to contact me.

Yours Sincerely,

Anne O'Neill

Assistant National Director, Oral Health
