Re: PQ 46261/24

**To ask the Minister for Health the way a healthcare professional can open a clinic at the new primary care centre, Tullamore Road, Kilbeggan; if such facilities are available to private practice psychotherapists and counsellors; and if so, if the contact information will be provided to make the necessary arrangements.**

Dear Deputy Troy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and outlined the position as follows.

I wish to advise that accommodation allocated to the HSE in this building is used in the delivery of public health care and private providers cannot be accommodated.

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

Claire Donnelly  
General Manager,  
Midlands Mental Health Services,
