Re: PQ 46369/24

To ask the Minister for Health his plans to introduce an out-of-hours CAMHS for children in County Longford.

-Sorca Clarke

Dear Deputy Clarke,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and outlined the position as follows.

I wish to advise that there is an out-of-hours Child & Adolescent Mental Health Services (CAMHS) "on-call" service for Longford and Westmeath provided in Midland Regional Hospital, Mullingar (MRHM) Accident & Emergency Department provided by the Registrar on-call and the CAMHS Consultant on-call.

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

Claire Donnelly
