PQ - 46780/24 - “To ask the Minister for Health the turnover of medical staff for each of the past five years to date at CAMHS Ashbourne, County Meath”

Dear Deputy Tóibín,

The Health Service Executive has been requested to reply directly to you in the context of the above Representation, which you submitted to the Minister for Health for response. I have examined the matter and outline the position as follows.

For the past five years the Child and Adolescent Mental Health Services (CAMHS) Consultant in Ashbourne has remained the same.

A Non-Consultant Hospital Doctor (NCHD) is allocated to CAMHS Ashbourne one day per week to do the ADHD Clinic. The current NCHD has been in post for one year.

The previous NCHD was in post for four years. There was no break in service provision during this change.

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

Martina Lennon,
General Manager, Mental Health Services, Louth Meath
