Deputy Darren O'Rourke,
Leinster House,
Kildare Street,
Dublin 2.

Re: PQ - 46825/24 To ask the Minister for Children; Equality; Disability; Integration and Youth the number and name of services that are dedicated to persons living with neurological disabilities in County Meath – Darren O'Rourke

Dear Deputy O'Rourke,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and outlined the position as follows.

Please see below services available to those persons living with a neurological condition in Co. Meath:

Prosper Meath | Intellectual Disability Services & Supports

Prosper Meath provide Intellectual Disability Services & Supports to adults with an intellectual disability in the Meath catchment area.

Enable Ireland provide a Home and Community Support Service to people with primarily physical and sensory disabilities living in County Meath Adult Services.

Headway Brain Injury Services and Support as a lifeline for people living with Acquired Brain Injury in Ireland.

Navan Day Service Praxis

Navan Day Service provides a New Directions-led service to adults with intellectual disabilities and autism. The service is centrally located.

Irish Wheelchair Association Day Service

Navan Day Service provides a New Directions-led service to adults with intellectual disabilities and Physical and Sensory Disability.

Dunboyne Day Service Praxis Care

Dunboyne Day Service is a day service for adults located in the Dunboyne, Meath area. We support adults with mental ill health, intellectual disabilities.

Meath Adult Disability Service.

(18-65 years) Physical and Sensory, (18yrs -till end of life) Learning Disability

The Meath Adult Disability Team co-ordinates community services for adults aged 18-65 years with disabilities of a neurological nature and/or intellectual disability and /or autistic spectrum disorder, living in the Meath Primary care area who require services greater than can be provided by their local Primary Care.

Acquired Brain Injury Ireland

Provide support to those aged 18-65 with acquired brain injuries.

MEATH COMMUNITY RESOURCES & SUPPORTS

Family Support Meath

<https://familysupportmeath.ie>

Meath Autism Network

Meets every Saturday morning from 11am-12 noon in their new den at An Tobar Retreat Centre, Navan.

Rehab Care

Rehab Care Dunboyne Day Resource Centre provides a range of services to people with physical and sensory disabilities in the south of County Meath.

Rehab Care Navan Day Service: Navan Day Service provides a New Directions-led service to adults with intellectual disabilities and autism.

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

Wanetta Duff
General Manager, Disability Services, HSE Louth Meath CHO
