

Section B Information Specific to Registered Nurses and Registered Midwives for the administration of COVID-19 vaccine to children aged 5 to 11 years

Statutory Instruments No. 698 of 2020, No. 81 of 2021, No.245 of 2021 identifies registered nurses and registered midwives as one of the professions that can administer the COVID-19 vaccines, subject to approval of an education programme by the regulatory body concerned.

In order to administer the vaccine, registered nurses and registered midwives must be familiar with the most up to date version of the COVID-19 master medicine protocol for children aged 5 to 11 years. Registered nurses and registered midwives must also have completed the Competency Assessment Form included in this section. The medicine protocol and Competency Assessment Form are available at www.immunisation.ie.

Self-Assessment of Competency to administer COVID-19 vaccine under medicine protocol by registered nurses and registered midwives to children aged 5 to 11 years. Please complete and discuss with your line manager/clinical lead prior to vaccinating this cohort.

No	Performance Criteria (Tick/date/initial as applicable)	Performance Criteria		
		Competent Date/Initials	Needs Practice Date/Initials	Needs Theory Date/Initials
1	I practice within my scope of practice (Scope of Nursing and Midwifery Practice Framework, Nursing and Midwifery Board of Ireland (NMBI, 2015) to undertake administration of COVID-19 vaccine to children aged 5 to 11 years under medicine protocol			
2	I understand that vaccines are prescription only medicines (POM) and prior to administration require either: 1. a valid prescription for individual vaccines or 2. a medicine protocol for individual vaccines			
3	I understand the role and function of medicine protocols in the context of NMBI guidelines in relation to: <ul style="list-style-type: none"> The Code of Professional and Ethical Conduct for Registered Nurses and Registered Midwives (NMBI, 2021) Scope of Nursing and Midwifery Practice Framework (NMBI, 2015) Guidance for Registered Nurses and Midwives on Medication Administration (NMBI, 2020) (Guiding Principle 2, page 12, 2.8) Guidance to Nurses and Midwives on Medication Management (An Bord Altranais, 2007) 			
4	I have read and understood the: <ul style="list-style-type: none"> Immunisation Guidelines for Ireland (NIAC) Clinical Guidance for COVID-19 Vaccination (NIO, 2023) NIO COVID-19 Vaccination Training Programme – Children aged 5- 11 years “adapted COVID-19 vaccine for 5 to 11 years” accessible on www.HSEIlanD.ie I undertake to review the most current vaccination information from the NIO available at: www.immunisation.ie			
5	I have read and understood the current Medicine Protocol for this immunisation programme			
6	I can outline the inclusion/exclusion criteria for administering COVID-19 vaccine to infants and children aged 5 to 11 years under the named medicine protocol			
7	I am competent in safe intramuscular injection (IM) technique (deltoid muscle) for children aged 5 to 11 years (refer to the NIAC Immunisation Guidelines, Chapter2)			
8	I understand if further education and training is required in intramuscular injection technique (deltoid muscle) for children aged 5 to 11 years I am required to attend a face to face education/training provided by the HSE or HSE contracted providers			

9	<p>I have successfully completed the following www.hseland.ie programmes:</p> <ol style="list-style-type: none"> 1. <i>AMRIC Aseptic Technique</i> 2. <i>AMRIC Hand Hygiene</i> 3. <i>GDPR</i> <ul style="list-style-type: none"> • <i>National Consent Policy (HSE, 2022) available at: https://www.hse.ie/eng/about/who/qid/otherquality-improvement-programmes/consent/nationalconsent-policy.html</i> • <i>Introduction to Children First accessible on www.HSELanD.ie</i> • <i>Children Having Vaccinations and Health Care Procedures accessible on www.HSELanD.ie</i> 			
10	I have attended an approved Basic Life Support for Health Care Providers Course within the last two years (i.e. Irish Heart Foundation (IHF))			
11	I have successfully completed an approved anaphylaxis programme as outlined in section B of the medicine protocol. I am familiar with NIAC (2023) Anaphylaxis: Immediate Management in the community available at: https://rcpi.access.preservica.com/uncategorized/IO_a36f9e4b-4c80-432d-8264-546089359925/			
12	In assessing suitability for vaccination I can undertake a clinical assessment of children aged 5 to 11 years presenting for vaccination within the scope of the medicine protocol			
13	I can refer the child who meets the exclusion criteria to the relevant medical practitioner/clinical lead/lead vaccinator for an individual medical assessment as per medicine protocol			
14	I understand the agreed process, including ICT systems if applicable for the accurate and appropriate documentation in the child's record for vaccine administration			
15	I will adhere to the correct procedure/guideline prior to the administration of the vaccine as per medicine protocol			
16	I can provide accurate relevant information regarding the vaccine, benefits and side effects to the child/parent/legal guardian			
17	I am aware of the procedure for treatment and reporting of adverse drug reactions to the Health Products Regulatory Authority if required available at: www.hpra.ie			
18	I understand the procedure for reporting and documentation of medication errors/near misses as per HSE Incident Management Framework (2020)			
19	I dispose of single use equipment and sharps in accordance with National Clinical Guideline No. 30 (2023) – Infection Prevention and Control (IPC) available at: https://www.gov.ie/en/publication/a057e-infection-prevention-and-control-ipc/ .			
20	I am aware of and comply with the guidance on vaccine handling, delivery and storage including the maintenance of the cold chain in accordance with national and local policies, procedures, protocols and guidelines (PPPGs)			
21	I have the appropriate communication skills to communicate effectively with the child and their parent/legal guardian.			

If any deficits in theory and/or clinical practice are identified, the registered nurse/registered midwife must discuss with relevant Line Manager/Employer and implement an appropriate action plan to achieve competency within an agreed time frame

Action Plan (for use if needed to reach competence outlined)
