Healthier Future

**Re: Remuneration of all grades of Executive Analytical Chemist  
under the Programme for Competitiveness and Work**

I am directed by the Minister for Health and Children to refer to circular no. 44/98 dated 16th December 1998, which relates to the remuneration of Executive Analytical Chemists without Branch E Certificate.

It has come to our attention that there were number of errors in the pay scales attached to that circular and consequently I am now issuing corrected scales (Appendix A). Furthermore no revised scales were issued at that time for Executive Analytical Chemists with Branch E Certificate. A revised scale for that grade is included in this circular (Appendix B).

Please note that the revised scales for Executive Analytical Chemists with Branch E Certificate now include two long service increments but are otherwise unchanged from those listed in the consolidated scales as issued by this Department.

The sanction of the Minister may be assumed for the implementation of the arrangements set out in this circular.

Your allocation has been adjusted to take account of this increase.

All queries in relation to this circular should be addressed to the Health Service Employers Agency, 63/64 Adelaide Road, Dublin 2. (Telephone: 01-6626966).
