**Re: Remuneration of all grades of Physicist
under the Programme for Competitiveness and Work**

I am directed by the Minister for Health and Children to refer to the circular 21/99 issued on the 16th of March 1999 in relation to the above. Unfortunately the revised pay scales at Appendix A for Basic, Senior, Principal and Chief Physicist were incorrectly calculated and consequently the Department of Health and Children is now issuing new scales which supercede them. I would be obliged if you would use the new pay scales attached.
